REASONS FOR ALLOWANCE

1. The following is an examiner's statement of reasons for allowance: The following is a statement of reasons for the indication of allowable subject matter: The instant application discloses a method for communicating information of a frequency modulated carrier frequency via a communication channel connecting a transmitter on a transmitting side and a receiver on a receiving side. Prior art references show similar methods but fail to teach: **"filtering the narrow band or very narrow band frequency-modulated carrier signal to remove upper and lower sidebands of the narrow band or very narrow band frequency-modulated carrier signal"**, as in claims 1, 15, 17, 31; **"means for receiving from the communication channel the narrowband or very narrowband frequency-modulated information signals without the upper and lower sidebands, said narrowband or very narrow band frequency-modulated information signals without the upper and lower sidebands having the predetermined small or very small frequency deviation"**, as in claims 10, 26.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
